RE: Application No. 09/924,227
Blair et al.
Assignee: Visioneer, Inc.

Dear Mr. Worku:

Jacques Dulin, Esq. informs me that you telephoned to inquire as to whether he "intended to let this application go abandoned". Mr. Dulin submitted a withdrawal of attorney at our request in June of 2005.

We, as the assignee of record, chose to continue prosecution of this matter and indeed submitted a response to a non-final office action date-in stamped July 21, 2005. We have received no further communication from the USPTO, nor has Mr. Dulin. The File History confirms that no further response has been sent by the USPTO.

We certainly do not wish the case to go abandoned and have been waiting for a response to our reply of July, 2005. A 3.73(b) was also filed with a date-in stamp of July 22, 2005 so we are not certain why no communication is forthcoming.

I left you a voicemail today, but have been unable to reach you. Please check into this matter and let me know your determination regarding our reply to the non-final office action. Thank you in advance for your attention to this reply, and please contact me should you have questions.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Diane van Os', is written over the word 'Sincerely,'.
